Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

## Safe and Inclusive School Plan

### Ensuring Positive Learning Environments

This year we are focusing on continuing to build empathy, mental health, and inclusion. We are doing this to enhance student well-being, sense of community, student achievement.

#### Throughout the year, we will be:

1. Using restorative practices and student led initiatives to build empathy and conflict resolution
2. Continuing to acknowledge actions that build empathy throughout our community
3. Engaging with community partners about fostering inclusion and improving mental health awareness

#### Community/Home Connections

Ask your child about their day and how their action(s) made others feel. Ask students how their response to a situation could be impacting others.

Encourage your child to report bullying and/or unkind behaviour.

Check out this resource [Stop It, Name It](#) about speaking up and being a supportive ally.
